

...AND I WAS THERE

Chittenango Landing Canal Boat Museum

Name _____

Elementary / Middle

School _____

Art

Date _____

Think about what it would have been like for you to be part of the scene at the dry docks in about 1870. Would you have been working at the blacksmith shop, cutting timbers in the sawmill, tending the mule or repairing boats in the drydock? Draw yourself in the scene showing exactly what you would have been doing.
