

ARTIFACTS TELL A STORY

Chittenango Landing Canal Boat Museum
Elementary/Middle School
Art

Name _____

School _____

Date _____

The artifacts you found in the ground at Chittenango Landing tell something about the building that was located at the place and about the people who might have lived and worked there. Draw a picture of what you think the building looked like. Also draw something the people were doing, as a result of the artifacts found. Write some labels if needed.
