

**Chittenango Landing Canal Boat Museum: Fall
Primary Source Program
(Grade 4-7)**

The fall indoor-outdoor program, Archaeology and Primary Sources follows state education regulations pertaining to use of primary sources as related to local and state history. Hands on activities include an archaeology dig; the use of artifacts, photos, maps and documents also a power point presentation on uncovering the historic site at Chittenango Landing. The four hour program concludes with a first person interpretation by "Captain Kelsey" who is in need of a hoggee (mule driver).

(25 students per class)
